

CONSTRUCTION ACCOUNTING AND AUDITING SERVICES

Benefit from a CPA firm based in Tulsa with over a decade of **experience working with commercial contractors.**

Whether you are a general/prime contractor, concrete, road, utilities, golf course, painting, or bridge contractor, we can lower your professional service costs and navigate through growing compliance issues. Stop paying for the expensive overhead of big accounting firms and start enjoying a personal team of experienced accountants with the insight needed to perform audit and tax services at a rate that is likely less than what you pay now.

Enjoy truly superior customer service. We take the time to get to know you and your individual business needs. Trust us and know that our business is centered around making sure your business grows, thrives and profits.

**AS A CONTRACTOR, YOU BID JOBS.
